

Invited Talks, cont.:

- 5/2006 Fine Structure of Minimal Sets in ACFA.
Association of Symbolic Logic 2006 Annual Meeting , Montreal, Quebec, Canada
- 4/2006 Fine Structure of Minimal Sets in ACFA.
Graduate Student Logic Conference, Madison, Wisconsin, USA

Teaching Experience:

- University of Illinois at Chicago** (Instructor)
- Autumn 2009 Calculus I (large lecture with TAs)
Autumn 2009 Model Theory II: Stability Theory (advanced graduate)
Spring 2009 Model Theory of Fields (advanced graduate)
Autumn 2008 Formal Logic (undergraduate)
Spring 2008 Calculus I (large lecture with TAs)
Autumn 2007 Metamathematics (graduate)
- University of California, Berkeley** (Teaching Assistant)
- Spring 2006 Honors Multivariable Calculus (introducing freshmen to differential forms)
Autumn 2005 Calculus: intensive support to students underserved in K-12 education.
(Professional Development Program)
2002 - 2006 Calculus TA and grader for upper-division mathematics courses.

- Canada/USA Mathcamp** (summer program for gifted high-school students)
2004, 2003 Mentor, designing and teaching courses and supervising small group projects.

Service:

- April 2008 Organizer of the Midwest Model Theory Conference at UIC
Spring 2008 - present Organizer of the UIC Logic Seminar

Awards:

- 4/2006 University of California Dissertation Year Fellowship
12/2000 Best Research Project Award, MASS program at PennState

Professional Programs and Workshops:

- 9/2006 Model Theory of Metric Structures
American Institute of Mathematics, Palo Alto, California
- 7/2006 Classification theory for abstract elementary classes
American Institute of Mathematics, Palo Alto, California
- 1/2005-7/2005 "Model Theory and Applications to Algebra and Analysis"
Isaac Newton Institute for Mathematical Sciences
Cambridge, UK
- 3/2003 Arizona Winter School 2003: "Logic and Number Theory"
Tucson, Arizona, USA
