AWM Panel Discussion on academic careers

Date: **Thursday, April 5th**

Time: 1-2:30 pm

Place: SEO 636

Panelists:

Loretta Bartolini, Loyola University Chicago
Aaron Kaestner, North Park University
Sarah Oppland-Cordell, Northeastern Illinois University

Questions addressed to the panelists:

- (1) Where did you look to find job opportunities?
- (2) How did you manage the job interview process?
- (3) What are your tips for achieving job satisfaction?
- (4) What is a typical day like in your job?

Please bring questions!

All members of the Math community are invited.

There will be pizza and drinks.
