EMPLOYMENT:

Teaching Assistant, UIC Mathematics Department (2010). Teach two Intermediate Algebra sections. Present problems for students to practice lessons from previous lecture. Spend an hour weekly in the Math Learning Center helping Algebra students and any other students that need assistance.

Learning Leader, UIUC College of Liberal Arts and Sciences (2009). Taught two classes of freshman once a week on topics including campus culture, registration, current events, diversity, study abroad, and stress management. Mentored and acted as a resource for students during their first semester on campus.

Day Camp Supervisor, Buffalo Grove Park District (2008). Responsible for a group of 35 campers. Created daily lessons plans filled with new game ideas and projects and lead these activities in addition to weekly field trips and daily trips to the pool. Led weekly staff meetings and attended weekly supervisor meetings.
