

Midwest Dynamical Systems Meeting – November 2 & 3, 2019 – UIC

Welcome to the Department of Mathematics, Statistics and Computer Science at UIC!

If you haven't done so already, please sign in on the sign-in sheets in Room 600.

The Saturday & Sunday talks start at 9 AM, in Room 636 SEO. Fresh coffee will be available from 8:30 AM in Room 600, along with sufficient sugar sources to fuel a dynamic morning.

In this packet, you will find: Title & Abstracts for the talks, Title & Abstracts for the Posters on display, the list of some of the nearby restaurants suitable for lunch, and the form to fill out to request financial support along with this instruction page. See below for where to send the completed form, along with *copies* of receipts.

Lunch. There are many nearby restaurants for lunch. See the included page. Note that the walk to Taylor Street restaurants is about 5 minutes, to Greektown (north of campus across the Eisenhower) is about 10 minutes, and the walk to south Halsted, south of Roosevelt, is about 15 minutes.

Party. After the last talk on Saturday, all are invited for refreshments and drinks from 5:30 to 7 PM. Relax, chat and nosh a bit, before heading out for dinner.

If you are walking to dinner, Greektown offers ample meals at bargain-ish prices; there are two nearby French restaurants to choose from - La Sardine and Chez Jöel; and Joy-Yee Noodle Shop on south Halsted. By car, Uber or Lyft, well then, there are too many choices to begin listing.

Receipts. If you are requesting support from the MWDS NSF Grant, follow these instructions:

- (1) Fill out the enclosed Northwestern Expense Report
- (2) If you have received reimbursement from Northwestern in the past 12 months, also fill out the form W-9.
- (3) Email scanned forms and all receipts (and any questions) to
 - John Mocek at john.mocek@northwestern.edu with the subject heading "MWDS 2019 at UIC".

Please submit your request by NOVEMBER 22, 2019.

The Midwest Dynamical Systems Conference is supported by NSF Grant DMS-1856176.

Mark your calendars:

Dynamics Days at Northwestern, November 12, 2019

Plan on spending the afternoon at Northwestern, 1–5 PM, for 3 talks. Details can be found at <https://sites.northwestern.edu/dynamics2019/>

And next year is the Big 5–0!

50th Meeting of Midwest Dynamics 2020, to be held at Northwestern University

Check the MWDS web site for dates and updated information:
