

*AMS-MER Workshop on*

**Excellence in Undergraduate Mathematics:  
Mobilizing for the Future**

---

**December 1 - 3, 2005, Arizona State University, Tempe, AZ  
Optional program on December 4**

**TEAM APPLICATION FORM**

Department \_\_\_\_\_  
Institution \_\_\_\_\_  
Team Contact Person \_\_\_\_\_  
Mailing Address \_\_\_\_\_  
Office Phone Number \_\_\_\_\_ e-mail address \_\_\_\_\_  
Fax Number \_\_\_\_\_

**Proposed Team Members**

*A team may have 2-4 members. Note: If space limitations pertain, departments proposing 3-4 member teams may be asked to designate 2 of the proposed faculty to participate.*

1. Name and Position \_\_\_\_\_  
Email \_\_\_\_\_ Office Telephone \_\_\_\_\_  
Optional: Representative of group underrepresented in math, specify \_\_\_\_\_
2. Name and Position \_\_\_\_\_  
Email \_\_\_\_\_ Office Telephone \_\_\_\_\_  
Optional: Representative of group underrepresented in math, specify \_\_\_\_\_
3. Name and Position \_\_\_\_\_  
Email \_\_\_\_\_ Office Telephone \_\_\_\_\_  
Optional: Representative of group underrepresented in math, specify \_\_\_\_\_
4. Name and Position \_\_\_\_\_  
Email \_\_\_\_\_ Office Telephone \_\_\_\_\_  
Optional: Representative of group underrepresented in math, specify \_\_\_\_\_

---

We would like to participate in the program on Sunday morning, December 4.

---

**Please enclose:**

- a brief biographical statement (1-2 paragraphs) for each of the proposed team members
- a concise statement of special departmental activities, within the last 4 years, relating to the undergraduate program

SEE REVERSE SIDE FOR ADDITIONAL ITEMS AND INFORMATION

- statement of areas in the undergraduate program targeted for action by the department in the next 5 years

---

**A letter of support from the Department Chair or an appropriate university administrator is required as part of the application. Please complete:**

A letter of support from \_\_\_\_\_

is enclosed       will follow.

---

**Travel Grants**

The grant supporting the workshop has funds for travel support for two 2-person teams or one 4-person team to participate in the workshop. Departments applying for a travel grant should include a statement of need and the possible impact of participating in the workshop. Institutions serving economically depressed regions and/or underrepresented groups in mathematics are encouraged to apply.

**Please check, if appropriate:**

A statement in support of a request for a travel grant is enclosed.

---

**Applications should be submitted to arrive at AMS by October 21, 2005.**

Notification of whether or not your team has been accepted to participate in the workshop will be *emailed to the team contact person* listed on the application no later than November 5. Applications received after Oct. 29 will be considered until all spaces are filled.

**Applications should be sent to:**

MER Workshop Coord.  
American Mathematical Society  
P.O. Box 6887, Providence  
RI 02940-6887

*or by overnight mail to:*

MER Workshop Coord.  
AMS, 201 Charles Street  
Providence, RI 02904-2213

If you have questions concerning the application, please contact Naomi D. Fisher, Director, MER Forum, at [ndfisher@uic.edu](mailto:ndfisher@uic.edu) or 312-413-3749.
