2.1) Please comment on specific characteristics of the teaching assistant that were most beneficial to you:

- -explains things in a clear-cut manner
- -answers questions thoroughly
- -engages the material with students
- He would always go over the answers.
- It covers material to help us understand more
- Matthew was very understanding.
- Really helped explain questions with great detail.
- This course supported me a lot with my Math 180 main class. I think the materials that provided for students in this course was really helpful and its content was really related to the work in Math 180 LEC.
- Went through the whole worksheet on time. Was very attentive.
- revision before exam

2.2) Please comment on the specific characteristics of the teaching assistant that need improvement:

- For me, my TA did the great job of supporting, explaining and teaching students for this problems while studying.
  - I believe the discussions for Calc are not helpful and pointless.
  - Maybe try speaking up more, I couldn't really understand you the first couple of weeks.
  - Sometimes I would ask for help, and he would ask me questions about the material that would make me more confused
  - Staying on topic and managing his time. There were moments where he would just take too much time explaining the lesson.
  - grading for the assignment can be fast
