EDUCATION	University of Illinois at Chicago Ph.D. Candidate, Mathematics. Expected graduation: Summer 2017 <ul style="list-style-type: none">• Advisor: Dr. David Marker University of California, Los Angeles M.A. in Mathematics, December 2009 Carnegie Mellon University B.S. in Mathematical Sciences, May 2008 <ul style="list-style-type: none">• Additional Major in Logic and Computation• Senior Thesis: Model Theory of Real Closed Fields• Advisor: Dr. James Cummings	
RESEARCH INTERESTS	Model Theory: characterizations of uncountable categoricity in continuous logic, notions of minimality in continuous logic.	
TALKS	Logic Seminar , University of Illinois at Urbana Champaign <i>Uncountable Categoricity in Continuous Logic</i> , January 2017 Logic Seminar , University of Illinois at Chicago <i>Uncountable Categoricity in Continuous Logic</i> , November 2016 Model Theory Month in Münster Conference , Münster, Germany <i>Strong Minimality in Continuous Logic</i> , May 2016 Graduate Student Logic Conference <i>Dp-Rank in Randomizations</i> , April 2015, University of Illinois at Chicago <i>Rational Points of a Definable Set</i> , April 2013, University of Illinois at Urbana-Champaign Model Theory Seminar , University of Illinois at Chicago <i>The Pila-Wilkie Theorem</i> , March 2017 <i>Extensions of Operators by Ultrapowers</i> , March 2016 <i>On dp-Minimal Fields</i> , September 2015 <i>Hyperimaginary Forking</i> , October 2013 <i>NIP Theories: Mutually Indiscernible Sequences and dp-Rank</i> , November 2012	

TEACHING
EXPERIENCE

Lecturer, Fall 2015–Present
Instructor for Discrete Structures course at Loyola University Chicago. Conducted a hybrid course with online lectures in Spring 2016.

Instructor, Summer 2012, Summer 2013, Summer 2016
Instructor for Beginning and Intermediate Algebra in the Summer Enrichment Workshop program for incoming freshmen at University of Illinois at Chicago.

Teaching Assistant Coordinator, Fall 2015
Acted as the teaching assistant coordinator for incoming graduate students at University of Illinois at Chicago

Lecturer, Summer 2015
Instructor for Math 210, Calculus III, for undergraduate students at University of Illinois at Chicago.

Instructor Fall 2014–Spring 2015
Instructor for the Emerging Scholars Program, sections of Calculus II & III at University of Illinois at Chicago

Teaching Assistant, Fall 2006–Summer 2014
Teaching Assistant for the following undergraduate mathematics courses:
University of Illinois at Chicago, Fall 2011– Summer 2014
Calculus I & II
University of California, Los Angeles, Fall 2008–Spring 2011
Precalculus, Calculus I & II, Multivariable Calculus I & II, Calculus for Life Sciences, Differential Equations, Discrete Structures, Abstract Algebra, Mathematical Logic, Game Theory
Carnegie Mellon University, Fall 2006–Spring 2008
Calculus I, Concepts of Mathematics

ACTIVITIES

Association for Women in Mathematics, Fall 2011 – Present
Active member of the UIC Student Chapter of the AWM, presented at the following events:
AWM Undergraduate Math Day, March 2016
Sonia Kovalevsky Day on Maths and Magic, November 2015
AWM Website Workshop, October 2013

Math and Snacks, March 2015
Gave a talk and demonstration about combinatorics, counting, and card tricks to undergraduate math students.

Louise Hay Logic Seminar Co-Organizer, Fall 2012–Fall 2014
Helped arrange speakers for the graduate student logic seminar at UIC.
Maintained the website.

Private Mathematics Tutor, September 2008–April 2016
Worked as a private tutor for junior high school, high school, undergraduate, and graduate students who are taking mathematics courses.
