2. OPEN ENDED QUESTIONS (TA)

2.1) Please comment on specific characteristics of the teaching assistant that were most beneficial to you:

- He is very efficient when explaining and it helps me understand topics that I struggled with during lecture.
- He is very passionate and responsible about his job. Always help everyone with his best.
- He was very outgoing and active in class at every possible turn, extremely helpful
- Instructor Carpenter made math fun and enjoyable. Every day when we walk into class he greets every student by name and starts off by answering any questions that we have on the subject we are learning that week.
- Ryan gives very thorough explanations and is always helpful!
- Ryan is great at explaining content and being attentive to students questions.
- Ryan our TA was always patient when teaching his class. He took the work step by step and was open to other ways of resolving the problem without hesitation.
- Ryan took time out of his day to help struggling students like myself. He dedicated time to answer each individual question or concern, followed up with struggling students and has an overall positive outlook on his position and on his students.

- Very nice and helpful
-

2.2) Please comment on the specific characteristics of the teaching assistant that need improvement:

- He should become a professor one day! He's really good.
 - I think instructor Carpenter does the best he can do in class and I think there is no specific thing he can do for improvement at this time.
 - N/A, Ryan is a boss
 - Nothing
 - Probably just time management
-
