## 2. OPEN ENDED QUESTIONS (TA)

2.1) Please comment on specific characteristics of the teaching assistant that were most beneficial to you:

- Has a very positive attitude that made learning fun.
- How the teaching assistant would always take time in answering a student's questions.
- I like how when we all had problems on the same question, he would take the time and go over it. Double checking that we understood what the question was asking and what formulas to use.
- I love the way that professor will taught us.
- Ryan is an amazing TA! He is very down to earth and explains things extremely well. Whenever I have questions, he answers them and truly makes sure I understand. I've enjoyed being in his class thoroughly!!!
- Teaches in a way that makes it easy on the mind. Uses references that make you think in real life aspects
- The explanations of certain problems were very well explained.

2.2) Please comment on the specific characteristics of the teaching assistant that need improvement:
