4. OPEN ENDED QUESTIONS

- ^{4.1)} Please comment on specific characteristics of the course that were most beneficial to you:
- Course help me to get better understanding of Algebra.
- Professor was amazing, very patient with students, always helped each individual student to understand each unit, and went as far to make math a lot easier not just for me but for an entire classroom. He was an amazing, sweet teacher who put his students first and made sure we all understood every unit before exams, quizzes and would make the classroom setting overall comfortable and healthy.
- Taking a problem a step at a time.
- The group work sheets helped I feel it benefited not only me but also everyone else in the class as well.
- This class helped me with math that was kinda hard for me.
- This class was so easy compared to my math 090 class. This professor helped me and explained the materials to me until I understood. Always there when I needed help or when I had an difficult time.
- Very helpful
