4. OPEN ENDED QUESTIONS

4.1) Please comment on specific characteristics of the course that were most beneficial to you:

- - I'd say our constant practicing as well as reviewing and going over the class content with its linked course of Math 090. Asking questions if unsure or have difficulty on something specific, working in groups.
- He helped us with math and how to get to where we needed.
- He was pretty chill.
- If there was something I was stuck on in Math 090, Math 088 was there to help me and other students, this class was super helpful and I am thankful I was able to take this course and being able to improve my mathematics.
- It was a very helpful course
- N/A
- The home works helped me get a better understanding of what we were learning.
- The pacing, the instructor themselves were great at creating an environment for learning.
- The way everything was explained was very helpful. I like the examples used and the step by step processes that were showed.
- Very good in communication and understanding
- Very optimistic instructor and had a great fun personality which blended well with the course work
- Worksheets during class

4.2) Please comment on specific aspects of the course that need improvement:

- - Just the seating arrangement, which I suggest could be transferred into another classroom instead.
- I don't think it needs improvement.
- N/A (3 Counts)
- Need to improve a little on making the classes more fun.
- No improvements needed.
- Nothing (2 Counts)

- Some improvement is the attendance some days he didn't take it or miss counted.
- nothing really

4.3) If necessary, clarify any of your previous responses or make additional comments:

- - None that's it.
- He was a great teacher
- N/A (3 Counts)
- No.
- Nothing
- Thanks for teaching me.
