

# Undergraduate Mathematics Symposium

Saturday, November 7, 2020

University of Illinois at Chicago

**The 2020 symposium will be held online**

## Plenary lectures by

Bianca Santoro (CCNY / CUNY)

Ian Tobasco (UIC)

## Call for student presenters

Apply online to give a lightning talk on an undergraduate research project.

Full consideration deadline: October 15

## Everyone is welcome

Online registration to attend the symposium is simple and free.

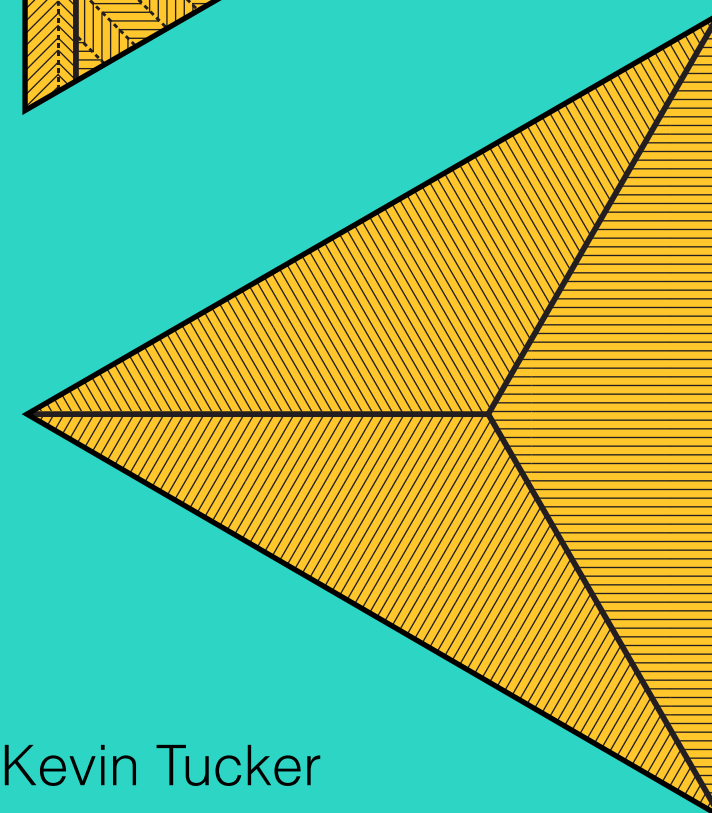

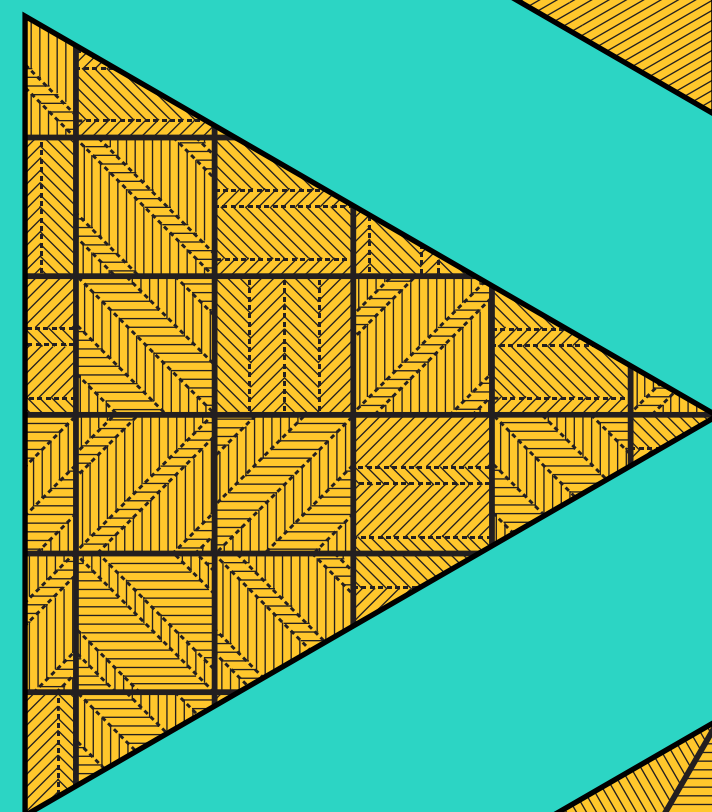

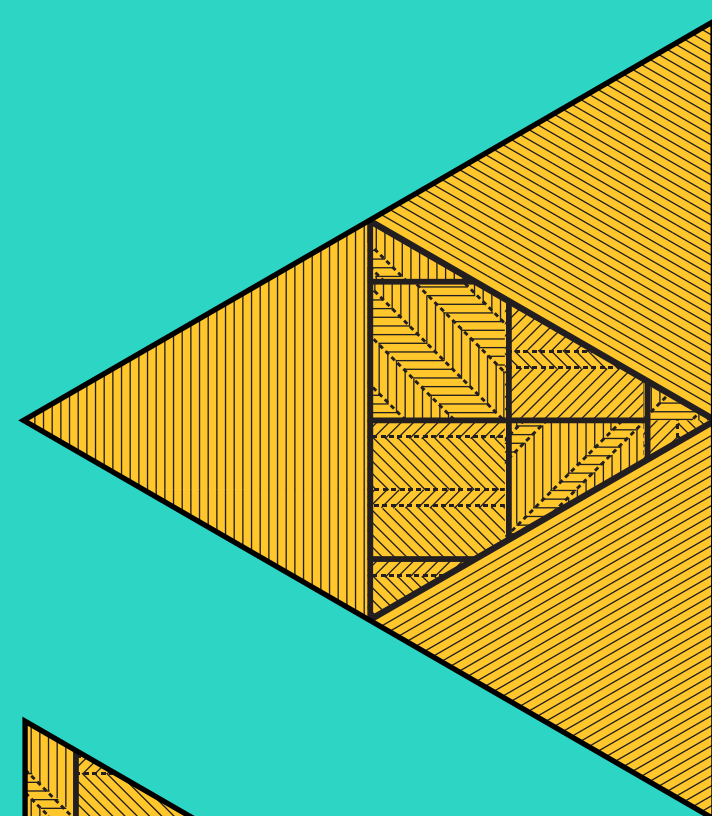

Organized by David Dumas, Julius Ross, Christof Sparber, and Kevin Tucker

The symposium is supported in part by grants from the National Science Foundation.

Poster design by David Dumas
